

The first Philly Pretzel Factory opened its doors in Mayfair, Philadelphia in 1998. The concept was to bake Philly Soft Pretzels all day so that everyone could enjoy a hot, freshly baked Soft Pretzel as they walked through the door. Our pretzels use only the highest quality ingredients, are twisted by hand and salted to perfection before baking. Enjoy the inviting aroma of soft pretzel dough baking in the ovens when you pick up your delicious treat. Philly Soft Pretzels are a great addition to any party, in-office parties, sporting events, picnics, holiday gatherings, birthday parties or any occasion. Show your appreciation by giving Philly Soft Pretzels as a business contact gift or as a "thank you" to co-workers. Anytime is a good time to enjoy a Philly Soft Pretzel. There's always fresh Philly Soft Pretzels "hot out of the oven!"
